PLAINTIFFS ANSWER TO DEFENDANTS
MOTION FOR DISMISSAL OF
96 CIV. 696 (ARR)

EDNY PRO SE OFFICE
AUG 10 1998
FILE

I William Collier, am at this time requesting that the proceedings of the above stated action be dismissed as I have come to realize, after receiving legal council at the CLINTON CORRECTIONAL FACILITY ANNEX LAW LIBRARY, that I have been the victim of a cruel hoax.

The prisoner who originally assisted me with this process of filing this 42 U.S.C.Sect.1983 was another prisoner at the RIKERS ISLAND CORRECTIONAL FACILITY where I was being detained. This individual led me to believe that he in fact knew the law as it pertained to my situation involving the posting of BAIL. He told me that my civil rights had been violated and that I was eligible for relief. He charged me for his services which were in fact bogus and simply a hustle. All of this has been revealed to me upon examination of my documents when I sought assistance with answering the defendants' motion for dismissal.

The defendants cannot be held responsible for any court adjournments or the delays in that process pending my ordered release by the court. If there had in fact been an order given by the court for my release, and was then ignored by the defendants, then and only then could they be held responsible for an illegal dentainment.

I make this motion in good faith as I did so also with the filing of this action while being victimized by an unskilled and self seeking fellow inmate. Please forgive my actions in the filing of this action as I was wrongly taken advantage of and led to believe a con game.

*In conformity with plaintiff's Request,
it is ordered that this action is
dismissed with prejudice.*

YOURS,

William Collier
